The 1984 Elk Is Dedicated to Mr. Sammy Petty

Mr. Petty has been the Vo-Ag teacher at Evant for the past 15 years. He spends much of his own time helping students with projects and livestock. He also sponsors the FFA which has many successful activities throughout the year.

The Annual Staff would like to dedicate this annual to Mr. Petty and thank him for all the time he puts into our school.

Our Class: The Realities.

*You never know how good it is
Until it's gone away
The old cliché remains so true
Even to this day*

*We look around at others
With hatred and disgust
We never stop to realize
How much they mean to us*

*But, someday my friend
Along life's lonely road
We'll look back and we'll realize
Our friends could have carried our
load*

*We fight and bicker and carry on
'til no one wants to listen
But among each other on Graduation
Day
Just watch the teardrops glisten.*

*It's amazing how the same hearts
Are filled with hatred and with love
At times it's total chaos,
But at others, as peaceful as a dove.*

*There's so much more to learn about
Before walking through life's door,
So I leave one last "I Love You"
To the Class of '84.*

Seniors party down.

JUNIOR CLASS PROPHECY

We of the Junior Class, having consulted our rabbit feet, flipped our coins, and just generally picked numbers out of a hat, foresee the following for our Seniors in the year 1994:

Eulalio is now sitting on his huge ranch in Northern Mexico, which he bought for money that he earned from smuggling Senior candy bars over the border.

Cliff is roping calves and his thirteen orphan kids.

Jerry will become the second richest man in the world when he hits a skool mine while working in the West Texas oilfields.

Karen and D'Lynn have opened a Dairy Queen in Evant and are importing their specialty from Australia. It is Kangaroo burgers with Vegemite seasoning.

Nina will return to Germany and work on a dairy.

Timmy is still riding around town, with a hearing aid from listening to his Ultra Powered stereo.

Traci is President of Lometa National Bank, working hard to support her habits of buying clothes.

Terry is now playing center for Boston Celtics.

Allan It will be discovered that Allan Manning is not really D. J. Manning's son, but Richard Pryor's twin brother.

Eddy and Jori will get a job at the same place and take turns being late for work.

Diane Poe is an official ding-dong lady for Avon.

Reenie is now working on a dairy and showing those cows just who's boss.

Bonnie and Caron Bonnie and Caron are still running around Gatesville chasing boys.

Cindy now lives in Goldthwaite and supports her two starting daughters on the Eagles team.

Diane is head nurse in charge of bed pans at January Care Home.

Mark is meanwhile back at the back at the ranch, making repairs on the Falcon.

Tim has formed a band with Vic as lead singer. He sings Hank Williams top hits.

Angela After attending Pottsville, Priddy and Gatesville, Angela will finally graduate from Evant High.

Mrs. Yarbrough has devoted her entire life to trying to figure out the Commodore 64.

Mr. Brister has resigned from teaching Drivers Ed, as a result from teaching *this* years Drivers Ed. Class.

SENIOR WILL

We, the Seniors of 1984, being of unsound mind but great bodies, will the Juniors our following attributes of character and physique:

Cindy Parrish wills to Melissa Turner her natural balance on the basketball courts in hope that Melissa can remain on her feet for one whole game.

Mark Wright wills to John Beadle his ability to be absent from school without an excuse.

Eulalio Acosta wills to Anne Burkett his natural tan so she won't have to worry about sunbathing.

D'Lynn Burt wills to Jimmy Weeks the ability to come to class late but still get an excused absence.

Diane Poe wills Tami her perfect attendance at school all year long.

Allan Manning wills Ace Freeman his collection of Richard Pryor tapes to play full volume on his stereo.

Diana Weeks wills to Jimmy Weeks that long dreadful cookbook she is working on in hopes he'll get further than she did.

Eddie Martens wills to Sam Headley his patience to be last in the lunch line and even allow others cuts.

Karen Bertrang wills Joelle Morua her height so Joelle won't be forgotten in next year's crowded halls.

Angela Newcomb wills Tami Ballard her sanity in hopes she will graduate from Evant High.

Caron Williams wills Stacy Adams her shy and bashful and timid ways.

Reenie Mitchell wills Patty Johnson her ability to be quiet in computer class and not to bother anyone.

Traci Cummings wills to Melissa Turner her Elk Pride in all events.

Nina Brauer wills to Joelle Morua her ability to find something to pass the time when she gets bored, and a little extra height.

Terry Fowler wills Tim Clary his ability to foul out of every basketball game and still keep a cool head.

Tim Leach wills to Billy Buckner his best knowledge on how to handle every situation.

Jerry Bates wills his great speed and tremendous athletic ability to John Beadle.

Jori Venemies wills his ultra loud voice to Chris Martinez who has not spoken a word in three years.

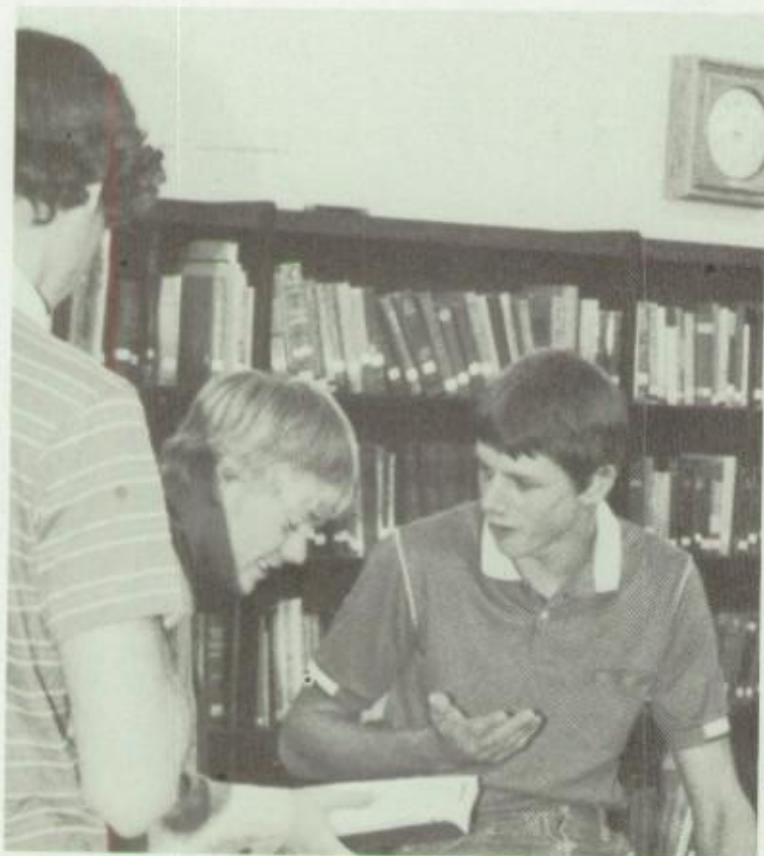

Cliff Barnard wills to Tim Clary his ability to stay to finish his lunch and have his girlfriend wait on him.

Timmy Brown leaves his ability to be the mister fix-it of Evant High.

Bonnie Oney wills to Patty Johnson her ability to stay calm in any situation.

The Seniors of 1984 hope these gifts enable the juniors to have a great and fun senior year just as we have. So take these gifts and use them to the best of your little ability.

Elks Boast Pride in 84

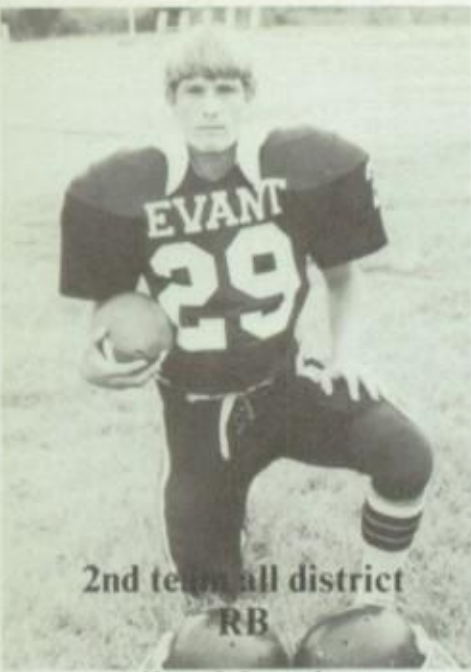

Elk Captains: **Timmy Brown**, John Beadle, Allan Manning.

The 1983 Elk Football team is one that will have a great influence on the future of the athletic program and on each individual in his own conquest of the competitive world. This group of athletes showed great pride and tremendous desire to do the best they could with what we had. Each athlete knows how to give his utmost and still be on the short end of the scoreboard. Each athlete has found how to find the desire and determination to get back up when knocked down and to keep taking a step forward. We have found out how important it is to be responsible and have teamwork. Each athlete either on or off the field is a great asset to the school and the community of Evant. These Elks showed that even though we won only 2 games that they were winners in different in all ten games.

The 1983-84 Elks finished with a record of 16-6 and a district record of 6-4. We improved in every phase of basketball from the year before. We happened to be in a very strong district with both teams, Goldthwaite and Priddy, advancing to the Regional Tournament and Priddy advancing to the State Tournament. I was very proud of the girls' efforts this year and I thought they played up to their potential.

Congratulations, girls on a banner season

Aloha-A-Ohhh!

Happy Trails — Van Halen

The Evant Booster Club held a very, ah, entertaining Variety Show in which there was no lack of variety. There was New Wave to Texas rock, smooth dancing and a special tribute to

the teachers in which they displayed their hidden talents, mainly with powder and wheel barrows! On with the Show . . .

Goochy-goo; stinky-poo!

Dedication

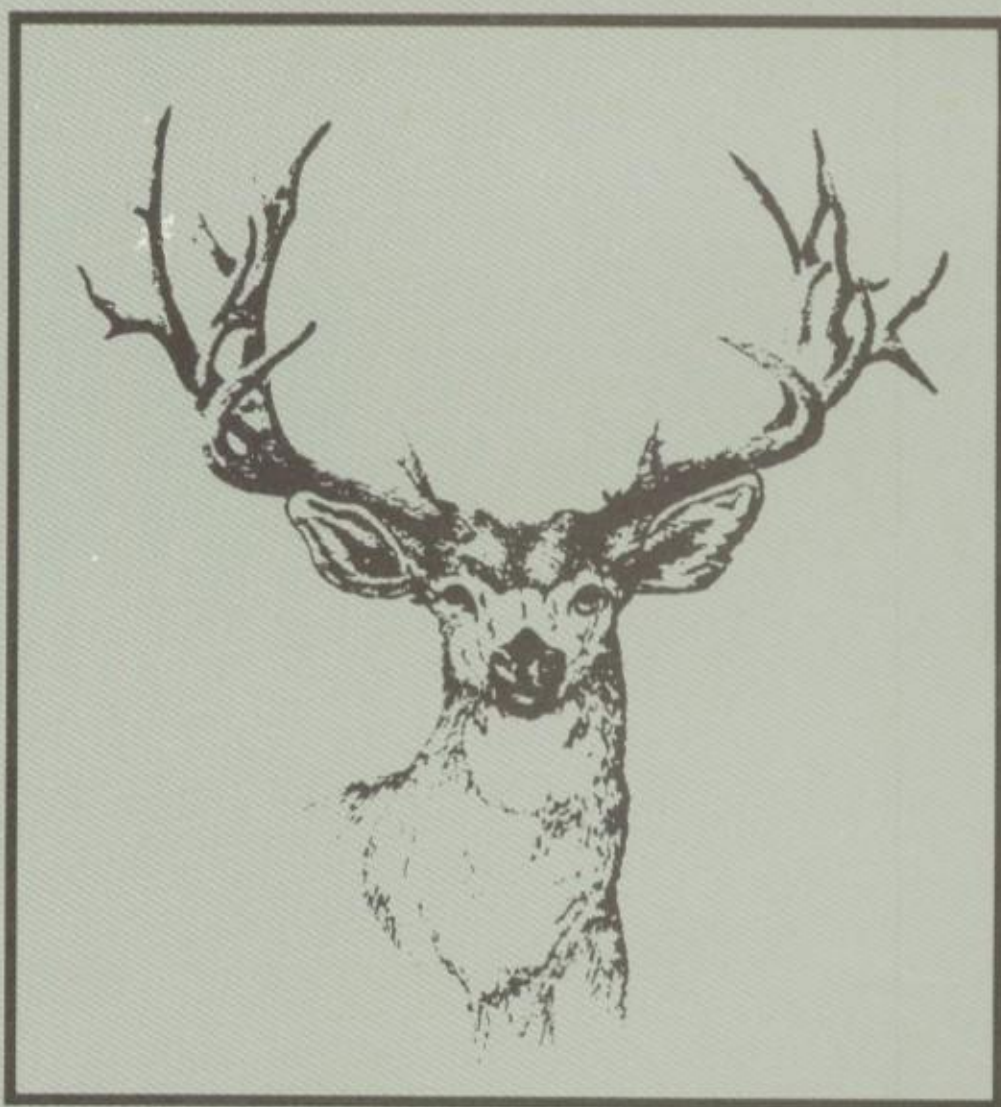

Mrs. Koerth modeling clothes of the fifties.

Mrs. Koerth began her teaching career in Adamsville in 1953 after graduating from N.T.S.U. In 1954 she began teaching at Evant and has taught 6th grade for the past 29 years. We wish her the best of luck. She will be greatly missed by the faculty and students of Evant School.
